

Instant Dollars V-1

PART 2

Getting Started With ZNZ

HERE'S WHERE LAYING THE FOUNDATION FOR "INSTANT DOLLARS V1" BEGINS. PLEASE READ CAREFULLY.

First of all, from sign-up to completing your free trial offers generally takes an hour or so.

Once complete you'd have earned \$110 in commissions.

Note that your \$110 will NOT be available for withdrawal until you've made at least one referral, after which you're free to withdraw your \$110 into an **ACH** or **Zelle** payment withdrawal account (Electronic payments made directly to your bank account) or have a check sent to your home address.

ZNZ Sign up Requirements:

- Phone
- Full Home Address
- Contact email address
- Payment withdrawal email address (can be added later)
- A debit or credit card

IMPORTANT: You'll need to activate three "separate accounts" on 3 different websites (related websites) but you'll need to fill in your member sign-up information: home address, phone etc, just once. They'll carry over.

Your accounts must be activated (by completing the required

number of trial offers) in order to become a verified member and get paid. This is done just once. Once complete you'll be in a cash-generating position for life.

Note that you need not be in a hurry at this stage of the trial offer process. It's the boring, tedious part. But remember, you have to do it one time only.

One more thing: There's no time limit on moving from one phase of the process to another. The offers are located on 3 different websites but it doesn't have to be done in any particular order after signing up at the first website.

Here's the process for generating your first \$110:

Step 1: Register at the 3 websites (coming up)

Step 2: Take up to 9 trial offers to meet the account activation requirements.

Step 3: Get Paid \$110 in cash.

IMPORTANT: You must complete **1.00** full credit in trial offers (more on this later) at each site in order to activate your account and qualify for lifetime \$110 payments.

To speed up the process, select the trial offers with the highest credit values. Here's a break down:

1) Complete ONE trial offer at site #1. This site comes with a few **FREE** trial offers (offers that DO NOT require the use of a credit card) so it need not cost you to activate your first account. You'll be paid \$20 once complete and paid \$20 each time someone referred by you, completes their own trial offers and activates their 1st account.

NOTE: 1.0 credit is required at site #1 so select the trial offers with the highest credit value.

NOTE: Even though using a credit card to take some of your trial offers may be required, your card won't be debited within the trial period so you can cancel those offers within the trial period and pay nothing.

2) Complete TWO trial offers at site # 2.

This site may also contain a few FREE trial offers so it need not cost you to activate your second account. You'll be paid \$30 once complete and be paid \$30 each time someone referred by you, completes their own trial offers and activates their 2nd account.

Like site #1, 1.0 credit is required at site #2 so select the trial offers with the highest credit value.

**Congratulations! You've just earned a quick
\$50 possibly in 20 minutes--or less!!!**

3) Complete Site #3 with as little as FIVE (or six) trial offers.

You may have only a couple of unused FREE trial offers at this stage and that's ok. Here's why: you've already earned \$50 so you can afford to spend five, ten, even \$20 to complete the third site. There'll be several \$1-\$3 trial offers still available to you so it'll be a breeze to knock out this site and activate account #3!

Once complete you'll be paid **\$60**, and be paid \$60 each time someone referred by you, completes their own trial offers and activates their 3rd account.

Congratulations again! You've just made a quick \$110 possibly in under an hour!!!

NOTE: Take the offers with the highest credits so you WON'T be required to complete more than 9 trial offers in TOTAL.

Credit card

A valid credit card is required to take your trial offers.

Some merchants will accept a bank-issued debit card.

In nearly all cases you will be notified in advance whether or not they do.

The three accounts you'll need to activate:

1. ZNZ One
<http://one.zipnadazilch.com/index.php?referral=403053>
2. ZNZ Simple
<http://simple.zipnadazilch.com/index.php?referral=473605>
3. ZNZ Big Cash
<http://bigcash.zipnadazilch.com/index.php?referral=473655>

The above websites, part of a broader network of Incentivized websites run by ZNZ, are basically the same and the ones we'll focus on in order to earn \$110 per referral.

Note that you'll only be paid \$110 when your referrals complete all three Web sites. If they complete just one or two, you'll get paid for just the ones they complete.

Getting paid

ZNZ will pay you each and every time (generally within hours of you requesting payment for completed referrals)...without fail. They've been around since 2007...and have paid out millions of dollars to their members.

Remember also, that after completing your own trial offers, you'll be in a cash-generating position for life, meaning that you'll never have to complete another trial offer again. What's more, you may sign up hundreds, even thousands of referrals and they'll continue to pay you without fail.

They even provide a FREE marketing system to help you generate referrals...even while you sleep.

For now, though, let's get your accounts activated and make an easy \$110 cash...possibly TODAY!

STEP 1: Activating your ZNZ accounts Step-by-Step

Setup an email address.

You'll need it for registering at ZNZ, completing your trial offers and activating your accounts.

You'll also need to add an email address (The same sign-up email address or a different one) to your payment withdrawal

account so there'll be no delay in receiving your commissions.

A free address from g-mail will do.

Get a g-mail address by logging on to:

<http://mail.google.com>

NOTE: Avoid Yahoo and other free email services for now.

STEP 2: Clear your browser cookies. Clearing your browser cookies will make it easy for the system to verify that you are completing the trial offers.

NOTE: How to clear your browser cookies will depend on your particular internet browser.

For a tutorial on how it's done, go to YouTube and use the search term "how to clear cookies on Firefox/Internet Explorer/Safari" (or which ever browser you use.)

STEP THREE: Activate your ZNZ "one" account using the link in Action step 1 below:

Step 3-Action Step 1

<http://one.zipnadzilch.com/index.php?referral=403053>

Verify that you're completing the correct Website with the correct referral ID **403053** as shown in the screen shot below.

You are being referred by user ID **403053**.

NOTE: The correct referral ID is significant. That is how I'll know that you've sign up with us and not with someone else. I'll be showing you lots of proven ways to get referrals, etc. going forward. But you must first verify that you've signed up using my referral link.

A Few things to pay attention to here:

1. Select an offer that credits you instantly. How soon that credit appears in your account --today, tomorrow, determines how quickly you get paid.
2. Read the terms and conditions for each offer (if any) before taking your offer.
3. **Cancellation:** Pay particular attention here. How to cancel: by phone etc--and the date before your card is debited. Cancel before the due date or you'll be charged. The idea here is to qualify for membership (getting the green light to refer others) not to necessarily purchase products.
We've included an Excel spread sheet in the Resources folder to help you record all offer-related information.
4. **REMEMBER:** You must use real information when completing the trial offers and make sure that your credit/debit card info matches your sign-up information. Everything must be authentic. These companies do not pay for fake leads.

Please be aware that AlertPay orders at this time will be delayed until further notice as we are unable to make a deposit into our account due to a problem on their end. This does not affect orders for anything else.

- The Price.
- How many points per offer so you do not need to take more than 5 (or 6) offers. The higher the number of points the fewer the number of offers you'll have to take.
- Select offers that credit you instantly.

Again, pay attention to the cancellation ("How to") instructions: by phone etc--and the date when your card will be debited. And again, cancel before the due date so you don't get charged.

NOTE: Remember there may be just a couple of unused FREE trial offers left at this stage...However, since you've already earned \$50 in commissions you can afford to spend five to ten dollars, even 20 bucks to complete this site.

There'll be several \$1-\$3 trial offers still available to you so it'll be a breeze to pull this off!

Again you will be paid **\$60** for completing this site, and be paid \$60 every time someone completes it for you.

NOTE: Even if you need to spend a little extra to complete this site it's worth it 'cause you're setting yourself up for \$110 referral commissions going forward.

Congratulations again! That's all it takes to get full member status, get paid \$110, and get into a cash-generating position for life! You never have to complete another trial offer again.

All you have to do next is sign up as many new members as you can and get paid when they complete their own trial offers.

Scroll down for a quick recap and check list.

Step-by-Step Check List.... Please read carefully before getting started.

SIGN-UP REQUIREMENTS

Credit card

In order to take the trial offers you'll need a credit card.

Some merchants accept bank-issued debit cards.

Home address

Telephone

Note that only one person per household is allowed to sign up with ZNZ. This is an anti-fraud measure and your IP address will be logged. **ZNZ is pretty good at detecting fraud.**

Signing up at a library or public gateway is risky as someone may have already signed up using that same IP address.

If you did, there's a 99% chance you'll be required to submit some form of ID to prove that you are who you claim to be (and not a fraudster)

If a photo ID is required for identification, use your state ID or state drivers' license.

IMPORTANT: With ZNZ there's only one shot at signing up using the same personal information so get it right first time.

SIGNING UP

- Click the sign up referral link on site #1 and make sure you are on the correct affiliate ID page.
- Link your 'site one' (ZNZ one) account to sites 2 & 3 by using the same email address and verifying your information with the same password from site #1.
- Go to the "Offers" page to complete your offers.
- Look up offers by "Credit Time" (**check the radio button**) should you wish to complete "instant offers" only.
- Complete the appropriate number of trial offers so you can GET PAID.

Keep track of your trial offers

Taking trial offers is a pre requisite to joining ZNZ. Since you must, then keeping track of those offers is important.

ZNZ hopes that you'll keep those offers and become a paying customer for the big corporations who advertise with them.

Fair enough. But except you want to keep and pay for a particular product or service, you do not have to keep any. Simply cancel them within the trial period and pay nothing.

Use the spreadsheet inside of the Resources folder to help you

keep track of each offer so you can cancel within the trial period.

What else you need to know...

- You do not have to complete all 3 ZNZ Websites. If you do one...or even two and decide that you don't want to continue, you will get paid for the ones completed.

It means that you'll continue to get paid for only the sites completed by you, even if your referrals completed all three.

- To use ZNZ's free marketing system you only need to complete ZNZ One and ZNZ BigCash. That'll mean a \$30 commission reduction but it'll be worth it. It's entirely up to you.

Regarding Instant credit:

- Unlike in the real world, "instant" in the IFW's (incentivized websites) business means within four to six hours. If for some reason you took an "Instant" credit offer but weren't credited within the six hour period, simply open a support ticket (follow the instructions on the support page on how to submit the "*full header*" of your trial offer email receipt) and ZNZ will take care of it immediately.

AND REMEMBER: Only one person per household is allowed to participate in the ZNZ program.

For Canadian and UK Residents

If you reside in Canada or the UK this opportunity is also open to you, but the free trials available to you if at all, are limited!

The offers presented to Canada and UK residents are also different to the ones offered to US residents. And far fewer!

It's a great opportunity for you nonetheless.

So should you go for it?

By all means, yes!

Here's my recommendation:

ON SITE #1: Take a trial offer for \$5. You'd be paid \$20 for completing that site...making you a 15 dollar profit.

ON SITES 2 & 3: Select offers with the highest credit values at the lowest price.

Whether or not you made a profit on site three won't matter. What matters is setting your self up to get paid over and over again.

Remember, you never have to take any trial offers again...this is a one time process that sets you up for life!

Once activated you can then start promoting the opportunity to

UK, Canadian, and US residents and do as well as we do here in the USA.

IMPORTANT: THE INFORMATION ON THIS PAGE WAS ACCURATE AT TIME OF WRITING. SOME OF IT (INCLUDING COMMISSION PAYMENTS MAY HAVE CHANGED SINCE, GIVEN THE CHANGING NATURE OF THE INTERNET AND INDUSTRY. IT'S TOTALLY BEYOND OUR CONTROL.

Let's now head over to part 3.
